## PREFATORY NOTE.

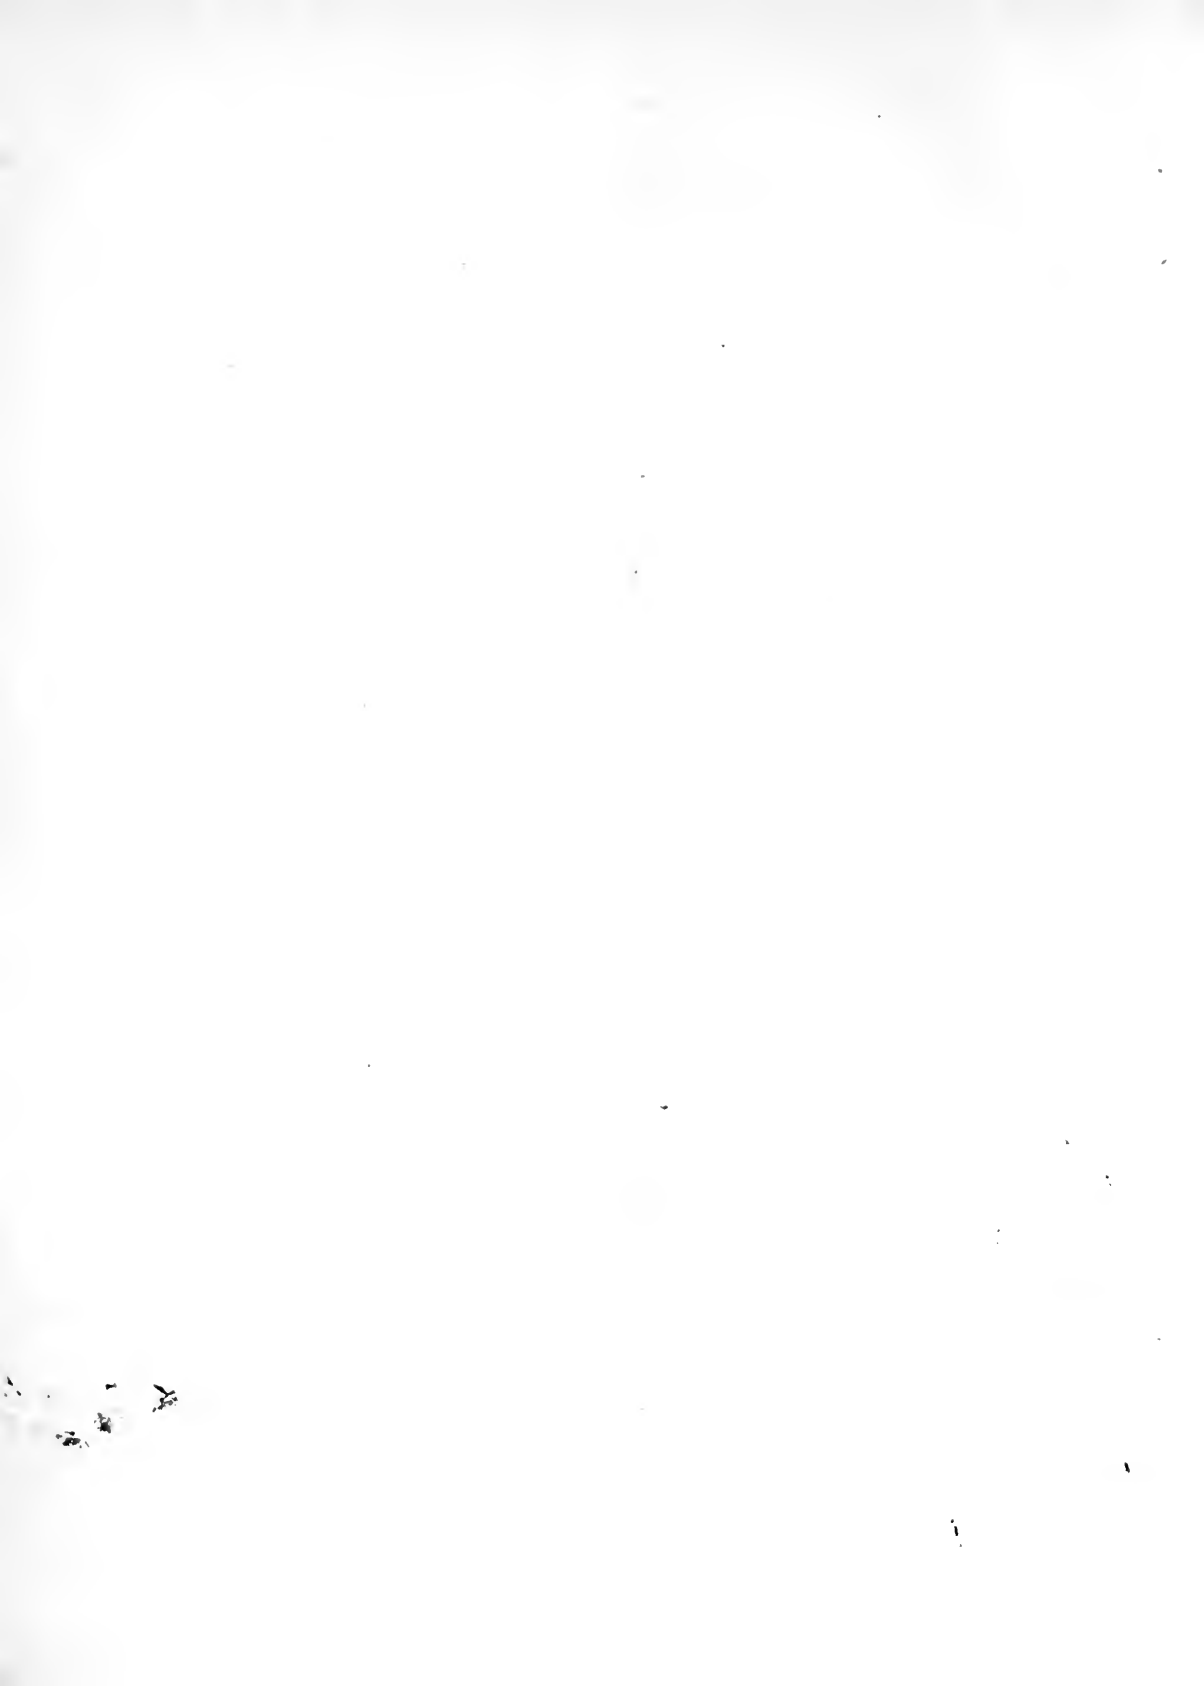

ON account of the great extent of the Greek section of the Montagu Collection it was deemed advisable not to include all in the first sale, but to reserve a certain portion for a second sale. This portion, which is now offered, completes the Greek section of the Collection. To it has been added a small Series of Roman Silver and Copper Coins and Medallions, which had been formed by Mr. Montagu.

In the Greek portion of this Catalogue we have not that succession of rare and brilliant pieces, which were to be found in the first sale, yet there are not a few which are far above the average either for rarity or for preservation. Notably the following: 42, Tetradrachm of Agrigentum; 55, Tetradrachm of Messana; 58, Didrachm of Naxos, by Prokles; 76, Decadrachm of Syracuse; 86, *A* Drachm of Agathocles; 105, Tetradrachm of Chalcidice; 115, Double Stater of Alexander the Great; 120, The excessively rare Tetradrachm of the same king; 167, Stater of Panticapæum; 181, Drachm of Alexander of Pheræ; 215, Tetradrachm of Lacedæmon; 217, *Æ* of Antinoüs, struck at Mantinea; 235, *A* Stater with Frog, unpublished; 382, Tetradrachm of Tripolis; 421, Stater of Ptolemy Soter; 427, Decadrachm of Arsinoe II; 448, Tetradrachm of Carthage. And in the Roman Series, 499, Denarius of the Junia Family, *R* EID. MAR.; 520, Denarius of Domitia; 524, Denarius of Pescennius Niger; 531, Denarius of Gordianus Africanus Senr.; 535, Denarius of Tranquillina; 537, Denarius of Cornelia Supera; 538, Denarius of Dryantilla; 543, Denarius of Carausius, unpublished; 567, *A* Medallion of Claudius, *R* DE BRITANNIS; 600, Large Brass of Galba, with beautiful patina; Large Brass of Vespasian, "Judæa Capta;" 654, *Æ* Medallion of Commodus, unpublished; &c.

\* \* \* \*

As to the disposal of further portions of Mr. Montagu's Collection we are requested to state that it is proposed to sell at this House in May next the extensive Collection of English Medals. In June next will be offered for sale the Series of English Copper Coins and Patterns, together with the Anglo-Gallic and Irish sections, and in the following November the dispersion of this Collection will be brought to an end by the sale of the reserved portion of the English Series.
